GUIDELINES FOR INDIVIDUAL CUSHCITY.COM VENDORS**

Individuals may sell the President Barack Obama 2010 calendars and planners as vendors or agents for Cushcity.com and earn a 35% commission. Following are the guidelines:

The vendor pays a \$25.00 start-up fee. The vendor must sign the vendor agreement and forward it, along with the \$25.00 start-up fee, to Cushcity.com, 13533 Bammel N. Houston Rd., Houston, TX 77066

Once vendor agreement and start-up fee are received, vendor will receive 50 brochures which can be used for taking orders. The vendor also receives tally sheets to forward payment for his/her orders. Additional brochures may be obtained in quantities of 50 for \$10.00 and ordered from Cushcity by calling 1-800-340-5454.

A minimum order of 12 calendars and/or 24 planners is required for each order. Playing cards can also be included, with a minimum of 12. There are three ways a vendor can accept orders:

Program #1: Vendor orders items from Cushcity at 35% discount, forwards the funds in advance via money order or credit card and, upon receipt of the products, resells the items to customers. Vendor must order at least 12 calendars or 24 planners each time an order is placed.

Program #2: Vendor takes orders from customers, forwards all funds to Cushcity, and Cushcity sends vendor a check for the 35% commission when the items are shipped. Vendor must accumulate orders for at least 12 calendars or 24 planners before an order is sent to Cushcity.

Program #3: Vendor distributes the brochures to friends, family and associates and allows them to forward their orders to Cushcity individually. The vendor will put his/her vendor number on the bottom right corner of each order form. Orders that are received with the vendor's number will be accumulated by Cushcity and a commission check will be issued on the 15th and 30th of each month.

The individual vendor receives a 35% discount off suggested retail price for each calendar, up to 100 calendars. At the suggested retail price of \$15.99, this means that each wall calendar will cost the vendor \$10.39; planners are \$6.99 suggested retail with cost to vendor of \$4.54.

For orders exceeding 100 calendars, a 40% discount will apply, which means that the cost to the vendor per wall calendar will be only \$9.59; planners will cost \$4.19.

When vendors take orders, their customers fill out the individual order forms. Checks are made payable to Cushcity. If customer pays via credit card, they complete the credit card portion of the form. If they pay with cash, the vendor must convert the cash to a money order and forward the funds made payable to Cushcity.com. Vendor's customers do not need to pay shipping charges, since the vendor will deliver the items directly to his/her customers.

Shipping charges are 7% of the total amount due. The shipping charges must be added to the Vendor's order and the total amount forwarded to the address provided on the order form.

If Vendor is paying for product directly, payment must be in the form of a money order, cashier's check or credit card (Visa, MC, Am Ex and Disc). **NO PERSONAL CHECKS WILL BE ACCEPTED FROM VENDORS.**
